A detailed photograph of a quantum computing hardware component, showing numerous gold-colored wires, connectors, and a complex multi-layered metal structure against a dark background.

THIS CERTIFIES THAT

JOSEPH GRIFFITH

HAS SUCCESSFULLY COMPLETED QUBIT BY
QUBIT'S HIGH SCHOOL INTRODUCTION TO
QUANTUM COMPUTING COURSE.

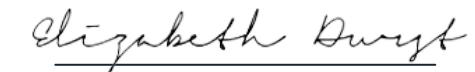

SEPTEMBER 2021 - APRIL 2022

This year-long program provided a comprehensive introduction to quantum computing, with topics including quantum mechanics, coding in Qiskit, quantum protocols and algorithms, & applications of quantum computing.

Kiera Peltz

Executive Director, Qubit by Qubit
Founder, The Coding School

Liz Durst

Director, IBM Quantum &
Qiskit Community

Course made possible thanks to the generosity of **IBM Quantum**
